

A Guide to Accessing Learning during School Closures

All pupils at Gordon Primary school have access to the education community GLOW, through this each class at Gordon Primary has a Class Team through Microsoft Teams. In the advent of a school closure each teacher will be available during their teaching hours to provide learning activities and answer questions via their email and Team.

Below is a guide on where learning activities will be provided.

- Learning activities will be posted on the General Channel with links given to work. Learning activities will be found in the Files section of the General Channel.

A copy of our guide on how to access GLOW and Microsoft Teams is available on our school website:
