

A Guide to Accessing Learning during School Closures due to Adverse Weather

All pupils at Gordon Primary school have access to the education community GLOW, through this each class at Gordon Primary has a Class Team through Microsoft Teams. In the advent of adverse weather each teacher will be available during their teaching hours to provide learning activities and answer questions via their email and Team.

Below is a guide on where learning activities will be provided.

P1A P1B	Learning activities will be posted on the Home Learning Channel.
P2A P2/3 P3A	Learning activities will be posted on the General Channel and links given to work.
P3/4	An overview of learning activities will be provided in the General Channel with directions to the different channels when required.
P4A	Learning Activities will be found in the Files section of the General Channel. Folders will be named with the Date and Adverse Weather (eg. 7.12.22 Snow closure)
P5A	Learning Activities will be found in the Files section of the General Channel.
P6A	Learning activities will be posted on the Home Learning Channel.
P6B	An overview of learning activities will be provided in the General Channel with directions to the different channels when required.
P7A P7B	Learning activities will be posted on the Working From Home Channel.

A copy of our guide on how to access GLOW and Microsoft Teams is available on our school website here: <https://gordon-pri.aberdeenshire.sch.uk/index.php/remote-learning-at-gordon-primary-school/>

If your child is unsure of their GLOW username and password, please contact the class teacher.
